■ Why a Degree in Business Administration?

Earn a business degree that's focused on your future

Business professionals are the innovators and thought leaders who build businesses and create the solutions that carry us into the future. If being at the forefront of economic progress sounds like an exciting career opportunity for you, then a degree in Business Administration could be a great fit for your future! With a degree in Business Administration, you'll develop the skills and knowledge you need to manage and grow an existing business or build something unique from the ground up. Whether you're looking to further your career with a graduate degree in Business Administration or enter the workforce and jump-start your professional career, a degree in Business Administration will help you master core concepts that will transform you into a skilled and knowledgeable professional ready to work in and lead a variety of industries.

University of Bridgeport's undergraduate Business Administration degree options include:

- Associate of Arts in Business Administration
- Bachelor of Science in Business Administration — in person or online!

Achieve a career at the center of commerce and innovation

Sharpen the skills you use everyday

Regardless of whether you choose to begin your career after earning your undergraduate degree or continue your education by pursuing a master's degree, you should enter the workforce with the skills and knowledge you need to succeed in any professional setting. In addition to learning the fundamental skills required to enter the business world, you'll develop the critical thinking, communication, and collaboration skills employers seek in today's hyper-connected business environment. You'll be prepared to enter any number of roles with the necessary skills to achieve your career goals.

Your career possibilities are endless

Earning your degree in Business Administration will transform you into a versatile and highly sought-after job candidate after you graduate. The skills you gain apply to a wide variety of career paths, meaning your opportunities are almost limitless.

Graduates of University of Bridgeport's Business Administration programs go on to pursue rewarding careers in a number of exciting settings, including:

- Fortune 500 companies
- Finance
- Healthcare management
- Human resources
- Management
- Marketing and communications
- Nonprofit organizations
- Small business ownership
- And more!

Flexible Programs to Fit Your Life

UB's flexible programs: earn your degree in one of three ways

At UB, you have the option to pursue your associate degree or bachelor's degree in Business Administration on campus, as well as the option to earn your BS fully online. Each program is composed of in-depth curricula designed to set you up for success in a variety of fields, including the corporate, governmental, and nonprofit spheres. Additionally, you'll be learning from experts in their fields. UB's faculty come from varied professional and educational backgrounds. Their diverse experiences and teaching strategies will give you the foundation you need to launch a rewarding career.

No matter what your career goals are, the Business Administration programs at University of Bridgeport truly have something for everyone.

1 Associate degree in Business Administration

With an associate degree in Business Administration, you can enjoy a rewarding career as a small business owner or jump-start your career with an entry-level position at an existing organization. When you finish this two-year program, you'll have the option to continue your education by pursuing your bachelor's degree.

2 Bachelor's degree in Business Administration on campus

Earn your BS in Business Administration on a traditional four-year timeline on campus. Take advantage of the Bauer Hall Innovation Center, where you can immerse yourself in a creative and entrepreneurial environment to advance your education and ideas. You'll have access to a podcast studio, maker space, conference and presentation rooms, a student lounge, workstations, and collaborative brainstorming booths.

3 Bachelor's degree in Business Administration online

In this online bachelor's degree program, you can earn your degree in a flexible online environment while continuing to work full-time.

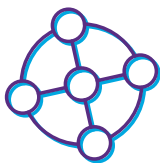

■ The UB Difference

Earn your degree in Business Administration at University of Bridgeport

A focus on career-readiness

Earning your Business Administration degree can lead to a fulfilling career with high salary potential, and University of Bridgeport will prepare you for success in the field. Our curriculum is tailored to give you the skills and experiences you need to pursue a career in all areas of business. At UB, you'll have access to internship opportunities that will serve as a launchpad for your future career. We are centrally located within two hours of Boston and New York City, meaning your education will take place within a global hub for business and economy.

A vibrant campus community

We believe your personal life is just as important as earning your degree — that's why, if you choose to pursue your degree on campus, we offer countless opportunities for you to get involved. At UB, you'll find yourself surrounded by a diverse student body with students and faculty from more than 30 countries. With 80+ career-focused degree programs, 16 NCAA Division II sports teams, and 50+ clubs and organizations, there's something for everyone here.

At UB, we put you first
